

In Lewiston, Maine, several organizations offer support groups and services for families with pediatric patients. Here are some options you might consider:

1. Community Concepts: This organization provides free parent workshops and support groups in Oxford and Androscoggin County, aiming to assist parents in navigating challenges related to their children's health and development.

- **Contact:** (207) 795-4065 or (800) 866-5588
- **Website:** <https://www.findhelp.org/care/support-groups--lewiston-me>

2. The Center for Grieving Children Maine: Offering peer support groups for grieving children, teens, and families, this center provides safe spaces for participants to share experiences and receive support.

- **Contact:** (207) 775-5216
- **Website:** <https://www.cgcmaine.org/>

3. Youthwork: Youthwork offers services to assist parents and children going through divorce or separation, including co-parenting classes and support groups for both children and parents.

- **Contact:** (207) 795-4050
- **Website:** <https://www.youthwork.com/LA/child.html>

4. St. Mary's Behavioral and Mental Health Services: St. Mary's provides structured treatment programs for adolescents, including daily group sessions, school support, and individual therapy. They were among the first in Maine to employ Dialectical Behavioral Therapy (DBT) with teens, focusing on building practical life skills.

- **Contact:** (207) 777-8100
- **Website:** <https://stmarysmaine.com/services/behavioral-and-mental-health-services/adolescent-behavioral-and-mental-health-services/>

5. Maine Parent Federation (MPF): MPF offers a variety of resources for families, including information on support groups and programs tailored for children with disabilities and special health care needs.

- **Website:** <https://www.mpf.org/community-resources/family-support/>

It's advisable to contact these organizations directly to inquire about current support group offerings, schedules, and any eligibility requirements. Additionally, your child's healthcare provider may have recommendations for local support groups tailored to your family's specific needs.

6. United Way: United Way offers
